• Profile

As a dedicated and skilled Web Developer and Web Designer, I specialize in creating functional, user-friendly, and visually engaging websites. With over two years of experience in web design, development, ICDL training, and professional database design and management using SQL-based systems such as MySQL, I have also taught these skills in private courses and schools, both in-person and online. I am committed to delivering efficient digital solutions and professional email systems using custom domains and hosting.

• Work Experience

Web Design and Development | 2021 – 2022 (8 months) WASSA Institute

- Worked on practical projects in web design and website development.

Web Design, Web Development, and ICDL Instructor | 2022 – 2024

- TOEFL Academy, Harvard Academy, Zarifi Academy, Joya Academy
- I taught web design, web development, and ICDL courses online and in person..
- Also served as an ICDL instructor and computer support at Hewad School (approximately 4.5 months).

Freelance Web Developer | 2023

- Remote collaboration with Mr. Otak – Germany
- Designed and developed the TOEFL Academy website. The website included approximately 20 GB of content with a management panel, formal web page design, video and audio content, database, official and secondary emails, and full hosting.

Certificate of Appreciation

This is to certify that

Jila Ahmadi

On behalf of the entire team, I would like to express our sincere appreciation for your dedicated service over the past two years in teaching *Web Design* and *Web Development*.

Your professionalism, commitment, and ability to inspire have played a vital role in the growth and success of our students. The knowledge and practical skills you have imparted will undoubtedly have a lasting impact on their future endeavors.

It is truly an honor to have you as part of our academic team. We look forward to many more years of collaboration and excellence in education.

We deeply appreciate your invaluable contributions to our academic community.
